

Application No.: 08/444,790

Docket No.: 01017/40451B

REMARKS

The foregoing amendment corrects typographical errors within the pending claims. In particular, a comma was inserted before the wherein clause of dependent claims 102, 103, 105, 111, 112, 113, 123, 124, 132 and 133. In addition, the term "any one of claims" was omitted from claim 104. New claim 138 is directed to a recombinant protein produced by CHO cells, which is supported at page 17, line 1 of the specification. These amendments do not add new matter to the application.

Applicants believe all pending claims are in condition for allowance. If further discussion or amendments would expedite allowance of the claims, the Examiner is asked to contact the undersigned at the number below.
